Cooking outdoors with the OFYR

OFYR is the new way to cook outdoors, and we are very impressed with it. The cone-shaped fire bowl has a wide, flat rim that you can use as a kind of teppanyaki grill. Thanks to the large round plate, one OFYR can be used to cook for up to 50 people. The many flames make cooking even more atmospheric and enhance the barbecue experience.

The OFYR looks beautiful and is a special and atmospheric way to cook in front of your guests.

We charge a surcharge of 65 for the use of the OFYR. The OFYR cannot be rented separately.

Are you with more than 50 people? Then we will supplement the barbecue with an extra gas barbecue. If you would like a chef at the OFYR, please indicate this when making your reservation for 50 per hour.

Please watch small children, as the entire OFYR gets hot.

Champagne tree

Present your guests with a delicious glass of champagne in a playful way. Bubbles are drunk during special occasions. With our champagne tree, every toast becomes a memorable moment. When you see the tree, you know it is party time.

Our champagne tree is a real eye-catcher.

The tree has been transformed into a work of art by hand. It is made of real wood and can hold 46 glasses. You can hang champagne glasses on our champagne tree, of course, but Prosecco, Cava or orange juice glasses also fit perfectly. For an extra festive touch, the glasses can be decorated with a raspberry or strawberry, for example.

The price is 75. This does not include drinks.

Football game XL

A fantastic addition to your party. We will set up an XL football game in your room. You can play this game with 8 people at the same time (!). A game for young and old!

Air hockey

Air hockey is played on a table with lots of small holes in the playing field through which air is blown. A plastic disc, the puck, floats on top of the air, as it were, and you can slide the puck back and forth with a so-called pusher. The aim is to shoot the puck into your opponent's goal. Since the game is extremely fast-paced, this is quite a challenge.

50

For the little ones among us, we also have various options, namely:

Bouncy castle 175

Use the bouncy castle only under adult supervision.

Outdoor mini golf 5
