Meal service

Home-made in our kitchen

Under the motto of “convenience serves man”, you can use meal service from our own kitchen. Meals are delivered to your own accommodation at your preferred time. This service is on a self-service basis. This allows us to keep the meals affordable. You have access to dishwashers with free dishwasher tablets. If you use the full meal service, coffee, tea, sugar, milk and orange juice are provided so that you can make your own fresh cup of coffee and tea during your stay. Meals are offered in buffet style in the accommodation.
