Welcome to Landgoed de Biestheuvel

You can hold formal meetings in one of our rooms or informal gatherings in one of our accommodations. We can accommodate small groups of around 10 people as well as larger groups of up to 250 people.

Format of the meeting

All gatherings and meetings in our rooms are organised according to the following standard package:

- Room hire based on the duration and size of the group (and therefore the space)
- Meeting package per person for 1 or 2 day parts, including:
 - Unlimited coffee, tea, ice water & mints*
 - Beamer and screen*
 - Notepad and pen*
 - Sweet treat (morning) and/or*
 - Hot snack (afternoon)*
 - Free Wi-Fi*
 - Free parking on site*
 - Personal assistance from a host/hostess*

During the meeting, a soft drink buffet will also be set up with various types of soft drinks that can be consumed on a post-calculation or buy-out basis.

Meals and snacks

A day of meetings naturally calls for a delicious lunch and possibly dinner. There are various options for this. The price overview below lists a standard lunch (buffet) and dinner option, but if you have many international guests, for example, we are happy to adjust the lunch. Consider a hot buffet for lunch, for example. Extra (healthy) snacks are also always possible, such as a fresh fruit salad. All meals come from our own kitchen, so allergies can easily be taken into account.

Multi-day meeting

Is the meeting lasting several days? Then simply add an overnight stay with breakfast to accommodate your needs. This can be arranged for one person, two persons, or multiple persons per room. Naturally, each room includes private bathroom facilities, made-up beds, and a towel package.

Informal off-site work session

Is there a need for an informal setting for the meeting? Then book a group accommodation. Here, you can arrange everything yourself, but it is possible to use our facilities. A retreat in an accommodation is always a tailor-made proposal, so please contact us directly for more information.
