Holidaypark Eiland van Maurik

Get to know our 3 camping fields!

Whether you come with a camper, tent or caravan; celebrating your holiday at Holiday Park Eiland van Maurik is a unique experience! On our Holiday Island you can choose between 3 different camping fields. We have the very child-friendly field the Eksche Waard close to the facilities and our main sanitary building. The Zomerdijk is the field right next to the water. On Zomerdijk and Rozenwiel you can also take your campervan on our hardened camper pitches. The Rozenwiel is really for those looking for peace and quiet and is located by the fishpond. At the Rozenwiel we also have a dog-free field.

The Eksche Waard

The pitches on the Eksche Waard are car-free and on each lane there are nice playgrounds. Ideal if your children are still a bit smaller and you like to have them in sight, but of course this field is also very cosy with family and friends. Thanks to the beautiful location on our park, all facilities are within easy reach. On average, the pitches are about 110 m².

The Rozenwiel

The camping pitches at the Rozenwiel are situated around a beautiful fishpond. This field is aimed at the real peace and quiet seeker. Park your car directly at your pitch!

We also have a 'pet-free' field on the Rozenwiel. These are pitches 90 to 120. The average size of the pitches is around 100m².

The Zomerdijk

Unique in the Netherlands are the camping pitches on the Zomerdijk. The pitches on Zomerdijk are located directly on the recreational lake. Wake up with a beautiful view of the water and end the day with the most beautiful sunsets. There are also four hardened camper pitches on Zomerdijk. On average, the spaces are about 90m².

Always overnight included:

- 10 Amp current*
- Showers
- (Hot)water
- (Camping) Wi-Fi
- Access to the (indoor) swimming pool
- Parking access for one car

*For all our pitches, excessive energy consumption may result in an additional bill

*Conditions only valid for tourist pitches
